## Dear subscriber

In this months Talking Points:

### [End of tax year contributions](#)

Category: Intelligence Zone | Source: Suffolk Life Website

The most up to date information on the last dates for contributions in this tax year. We can accept contributions right up until 1 April - read on for more details.

### [Pooling of PR and NPR in MasterSIPP](#)

Category: Intelligence Zone | Source: Suffolk Life Webpage

New business will be established on a pooled basis from 15 March. For details on the pooling of existing clients plans, please visit our dedicated pooling page.

### [New Case Study](#)

Category: Case Studies | Source: Suffolk Life Website

Download the new case study on the purchase of agricultural land within a SIPP.

### [Unsecured income illustrations](#)

Category: Operations | Source: Suffolk Life Website

Our unsecured income illustrations are disappearing for a couple of weeks whilst we make improvements - you'll see these improvements for pre-retirement illustrations from 1 March. In the meantime, your admin team will gladly produce bespoke UI illustrations for you within 24 hours.

### [John Moret talks investment options](#)

Category: Articles | Source: Investment Adviser SIPP Supplement

John Moret talks about the possibility of holding private equity within SIPPs.

### [Property factsheets](#)

Category: Factsheets | Source: Suffolk Life Website

View our new and updated property factsheets.

The MasterSIPP. Hitting the right note.
